Student's Name: \_\_\_\_\_ Class of \_\_\_\_\_

Any student whose family signs up for a Kroger Gift Card will receive 75% of the proceeds\* received from the Kroger Gift card registered in his/her name to use towards his/her 8<sup>th</sup> grade Washington, DC trip. Additional cards may be purchased for others to use as long as they register all the cards under the same student's name. The Finneytown Secondary PTA keeps the remaining 25%.

The monies earned will be given to the Treasurer of the Board of Education in the student's name for credit towards their trip. **The effective dates will be now through August of the 8<sup>th</sup> grade year.** Dates are approximate. The actual dates will be the closest date of the Kroger invoice that does not exceed payment due date.

In the event that a student may not be able to attend the event, the monies earned are nontransferable; the funds are kept as the property of the Finneytown Secondary PTA. If the student earns more than needed for the event, funds are put in the trip event scholarship fund.
