Why do I want to join the PTA?

By joining the PTA, you are showing your involvement and support for your child and our Finneytown Community in a simple way.

Do I need to attend meetings?

Meeting attendance is NOT required in fact, you don't need to do anything else to be a member. Your membership provides funds for the PTA and helps keep PTA a strong voice in advocating for children.

You are more than welcome to attend meetings if you would like.
See our informational brochure or the school calendar for dates.

You can also volunteer for any of our committee work by filling out and returning the "Volunteer Opportunities" form found in this packet.

How much will it cost & who can join?

Each membership is \$5.

Anyone can join (both parents, your student, grandparents, friends, etc...). If you have an Elementary student, that is a separate PTA and both units would appreciate your support.

What do I get out of membership?

Your membership money supports our unit and the work it does as well as the work of Ohio and National PTAs.

When joining and providing your email address on your membership registration, you will:

- Receive exclusive National PTA **member benefits**, including discounts, special offers, and promotions from national companies.
- Have access to the online version of "Our Children", National PTA's magazine.
- Receive "The PTA Parent", an electronic newsletter that covers parenting topics.

Please fill out the form on the other side and return it to Claire Snyder along with your payment in the enclosed envelope.
