

IT'S TIME TO REGISTER TO RECEIVE KROGER COMMUNITY REWARDS!

If you have not registered your Kroger Plus Card online since April, you may not be helping Finneytown Secondary PTA get donations based on your spending. Every April **we are required to re-register to receive Kroger Community Rewards** for the following school year. You can register whenever you like but why wait?

Check the bottom of your Kroger receipt. If it doesn't say "You requested Kroger to donate to Finneytown Secondary PTA" please REGISTER. All you need is an existing or new Kroger Plus Card, then register online at www.krogercommunityrewards.com.

PTA needs your participation to continue supporting students, teachers, and families on the Secondary Campus. You don't need to be a member of PTA so family and friends can sign up too! Everyone benefits from PTA so please take the time to register online your Kroger Plus Card for Kroger Community Rewards.

Just go online to www.krogercommunityrewards.com using a current or new Kroger Plus Card designating Finneytown Secondary PTA as your fundraising choice. You will need to search under Cincinnati Ohio to find our organization on the website, and searching on Finneytown will help you find our PTA. It's a safe and an efficient way to fundraise for our Secondary PTA since so many of our families and neighbors shop at Kroger.
