

We are happy to announce that we are expanding our great SCRIP gift card program. You can now access hundreds of gift cards throughout the year right from your own home! You can purchase physical cards, reload the cards you have already purchased or even print e-cards instantly from your home computer. No more waiting for one big order at holiday time, you can get what you want when you want it!

By buying your gift cards from Scrip you also help to raise additional funds for the secondary PTA that will help them have more money available for the many things they do to support our children. Where do the teachers get the new equipment they use in their classrooms? Did you know that many times those items are provided by the PTA mini-grants? Books, equipment, trip scholarships and even the couch in the media center have come from PTA grant money. Supporting these programs couldn't be any easier. Just buy gift cards for your normal everyday shopping and support the school at the same time.
